Re: Flood Elevation For 2785 Grassy Hill Road

Dear Mr. Temple:

The elevation of the finished floor of the main building at the northeast loading docks is 1042.16' (NAVD 88). The highest FEMA Base Flood Elevation of building is 1041.9' (NAVD 88). The flood elevation was obtained from FEMA Flood Insurance Rate Map No. 51067C0195C, dated Dec. 16, 2008.

Thank you,
Sincerely,

Bryan E. Jones, VA LS Lic. No. 2415
