- 1) If the Property is located on a private road, the aforesaid private road constitutes the main access to and from its residence or property to the State-maintained road.
- 2) If the Property has a private road across it, Buyer acknowledges that (i) an easement for ingress and egress over said private road will be reserved in the deed to Buyer, (ii) an easement for each property owner along said private for unobstructed right of ingress and egress over said private road to and from their respective residences or property will be set out in the deed to Buyer, and (iii) an easement for utilities will be reserved in the deed to Buyer so that utility lines can be installed and maintained within the area reserved for the private road that crosses the property that is the subject of the attached contract.

The term maintenance shall include repairing the road surface, grading or scraping the private road as necessary, clearing obstructions and performing any and all work necessary to maintain the private road to all such reasonable and safe passage for vehicles. In the event additional money is needed to maintain or improve the private road, a majority vote of all the owners who benefit from the private road must agree in writing to any additional assessment over the annual fee. In the event it is necessary to take legal action to enforce any term of this agreement, the prevailing party shall be entitled to collect reasonable attorney's fees for enforcement of this agreement.

- 4) In the event any of the parcels served by the private road is subdivided, and the new tract also utilizes the private road for access, each new owner will be obligated to pay the annual maintenance fees, any additional assessment and will be bound by all other terms and conditions of this agreement.
- 5) No gates shall be erected that would block or obstruct the private road. However, cattle guards are permitted on private roads and shall be installed and properly maintained by the respective owner at the owner's expense and not with the funds provided by this agreement.
- 6) The property owners subject to this agreement will elect an agent to collect and disburse monies from the road maintenance fee account. The agent will be a property owner subject to this agreement. Each property owner shall have one (1) vote for each parcel owned. Upon election of the agent, the funds collected will be disbursed to the agent for deposit into the road maintenance fee account.
- 7) The agent of the road maintenance account will prepare and distribute to the herein affected property owners an annual income and expense report and a year-end balance sheet accounting for all funds received and disbursed.

This agreement is intended to be binding on and inure to the benefit of and be enforceable by all parties who own property or residences along said private road, their heirs and assigns, as well as any future owner who is given rights to said private road. The Buyer agrees to execute any agreements, instruments or documents in furtherance of the purposes of this agreement.
