

Nolen / Slagle Road Maintenance Agreement

There are two roads the Nolen Road and the Slagle Road. These are shown on aerial map.

Nolen Road This road will be used by auction tracts 4-8 for ingress and egress and will pay into the Nolen Road "Road Maintenance Agreement". Tracts 10 and 11 will be able to use this road or they can use the Slagle Road. If they choose to use both roads, they will pay into both road maintenance accounts.

Love Cove Road aka Slagle Road: This road will be used by auction tracts 9-13 for ingress and egress and will pay into the Slagle Road "Road Maintenance Agreement". Again, Tracts 10 and 11 can choose between the two or pay into both.

These roads are for residential, recreational and timber growth and will be maintained accordingly. See actual road maintenance for specific details.
