NOTE: Because the land appears of record to be unencumbered, the Company requires that the affirmative declarations of the title affidavit, which includes a representation that there are no mortgages or other liens against the land whether recorded or not recorded, be properly emphasized before execution. Just as in all transactions, every seller/borrower must be encouraged to disclose any off record encumbrance, lien, or other matter that may affect title before the Company is willing to rely upon the representations contained within the title affidavit.

NOTE: Florida Statutes, Sections 692.201-692.205, "Conveyances to Foreign Entities" (the "Statute"), effective July 1, 2023, prohibits ownership of certain real property by certain foreign parties. Pursuant to such Statute, at the time of purchase of real property in Florida, each Buyer must provide an Affidavit that the proposed Insured is not a foreign principal from a foreign country of concern that is restricted from acquiring the Land set forth on Schedule A. In compliance with the statute, Florida Real Estate Commission adopted Rule 61J2-10.200, F.A.C., which established the approved forms for such Affidavits (one for natural persons and one for entities). These affidavits will be provided upon request. Any loss or damage incurred as a result of a violation of this Statute is excluded from coverage under the terms of a title insurance policy.
