Hiker Contract Labor	\$26,427.60
Total Hiker Contract Labor	\$26,427.60
Net Operating Profit	\$30,206.40

ARHH - Profit and Loss - July 1, 2024 – June 30, 2025

The reduced income is based on some strategic decisions and other circumstances:

- * I eliminated the full-time shuttle driver position effective 07/01/2024
- * I reduced our shuttle service zone from "Damascus to Daleville" to "Bland to Newport"
- * Transmission went out on the Caravan in October 2024 and was not brought back online until April 2025. I referred shuttle work to the other two shuttle drivers in the area when I was not available to run the shuttles in my truck or for groups over 3 or 4 hikers.
- * I converted the Relax Shack from lodging to a clinic in November 2024.
